

# DOES YOUR RISK MANAGEMENT STRATEGY SAVE YOU MONEY?

THE NATION'S PREMIER ETHICS CERTIFICATION TRAINING COURSE CAN COME TO YOU – AT QUITE A SAVINGS.

**Honoring the Badge: Ethical Issues for Peace Officers and Administrators** teaches policing professionals to perceive, prevent, and resolve ethical problems to better manage risk. Using a groundbreaking model – the **Exemplary Peace Officer** – this course will maximize your agency's training program to minimize risk and increase leadership. Because it's **designed by Michael Josephson**, one of the country's foremost experts in the everyday ethical challenges of policing, you know your unique issues will be addressed.

**When you host a program, you'll receive 5 complimentary registrations when 30 people from your region enroll!** You'll also save the cost of sending staff to out-of-town training. We'll provide all the support and materials you need to market the seminar throughout your region or community.

Two-part manual  
included with course
