## PERCEIVE, PREVENT, AND RESOLVE ETHICAL PROBLEMS TO BETTER MANAGE RISK.

Josephson Institute offers certified training courses and materials that teach policing professionals ethics fundamentals. Designed by Michael Josephson, the country's foremost expert in the ethical challenges of policing, these programs are ideal preparation for a comprehensive values-based initiative. Select the targeted seminars that meet your needs.

### HONORING THE BADGE

The nation's premier certification training course for peace officers and administrators is the largest in the nation. You'll see why.

### CONSORTIUM FOR CHIEFS AND SHERIFFS

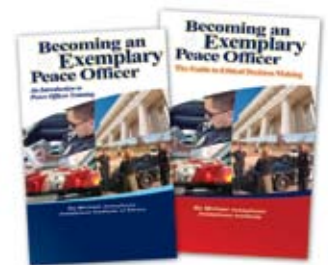

Exclusively designed for policy-level policing executives, this one-of-a-kind program explores solutions to key issues and enhances policy-making.

### FIELD TRAINING OFFICER SEMINAR

A customized, contracted program tailored to your department's needs.

### *BECOMING AN EXEMPLARY PEACE OFFICER*

Created jointly by California POST and Michael Josephson, this two-part manual has now been adapted for use nationwide. It is the most effective tool for training new recruits to make the best possible decisions. All proceeds benefit the nonprofit Center for Policing Ethics.
